Accelerated Reading

Well done everyone!

It is with great pleasure that we announce that our school has been identified as one of the top three performing Primary schools in Northern Ireland in terms of our implementation of Renaissance Star Reading and Renaissance Accelerated Reader. This has only been possible through the dedicated efforts of our children, parents and teachers. We know that the children are enjoying their participation in the programme and trust that this will lead to lifelong habits of reading for pleasure.

Two of our teachers, Mrs Wilson and Miss Flanagan, will be attending an exclusive awards ceremony in London on Friday 30th November where the winner will be announced.

Congratulations

Abigail Curran has won a medal for being one of the top 12 finishers at a cross country event in Monaghan. She also won a medal for being a member of the third place under 11 team in a cross country event.
