

DIGITAL ADMISSIONS CLINICS

The EA is hosting a number of Digital Admission Clinics to assist any parents / guardians who feel they may lack:

- trust in the service or the internet
- confidence to use an online service themselves
- access to the internet
- digital skills
- motivation to overcome these barriers on their own

The clinics will operate on a drop in basis and parents will be assisted in making their online application for a pre-school or primary place. In addition, varying levels of translation services can be accessed at the clinics.

Details of clinics will be available on the EA website www.eani.org.uk/clinicsforparents and the schedule will be updated regularly as further clinics are arranged.

The following sessions have been arranged for **Belfast areas**:
