Designated Child Protection Teachers: Mr McKane & Mrs Wilson

Well done to our P7 pupils for their performances in 'Porridge'. They performed excellently in all three shows. Congratulations to our P5 and P6 choir members who sang beautifully. Thank you to all the staff for their support and input.

## A Heartfelt Thank You to Sean Hutcheson

For the past 15 years, the Stranmillis PS school magazine has been a reflection of life in our school—capturing the joy, creativity, and learning of each academic year. It has offered our pupils a unique opportunity to see their work published and celebrated, and has become a keepsake for families and staff alike.

This would not have been possible without the dedication of Sean Hutcheson, a parent in our school community, who has voluntarily designed and produced the magazine with exceptional skill and care. Sean's commitment has gone far beyond design—he has invested countless hours, collaborated closely with staff, and ensured that every edition is of the highest quality.

As Sean's time as a parent at Stranmillis PS comes to an end this June, we want to express our deepest gratitude for his remarkable contribution. We are truly thankful for his creativity, generosity, and unwavering support. Thank you, Sean, for 15 wonderful years of dedication and excellence.
