Designated Child Protection Teachers: Mrs McLaughlin, Mr McKane & Mrs Wilson

Half Term Holiday 12th – 16th February. School will reopen on 19th February. Wishing everyone a happy holiday!

Our Value for February is 'Friendship'

Friendship is explored all the time in school.

Children are at their happiest and most confident when amongst friends.

So, it is very important that they understand what it means to be a good friend.

This month's reflection points:

- Friendship is caring for each other
- Friendship is sharing ideas
- Friendship is respecting each other
- Friendship is having fun

ACCELERATED READER NEWS

December was a very successful month for AR. We had so many children attaining their targets and a movie reward in the Assembly Hall, complete with popcorn!

Congratulations to James, Finn and Meabh Quirk. Each worked hard to achieve this wonderful accolade. Well done!

Next week we will have more children joining our exclusive Millionaires club?

We currently have 14 millionaires in school, up that number looks certain to rise very soon...

Wee Critters

The children in Nursery were delighted to welcome Wee Critters to our setting. We got to meet some amazing creatures and learn all about them. We learnt that all animals are important, no matter their size, and we got to hold and look closely at a fantastic range of critters.
