Value of the Month

During June we will be focusing on what Thankfulness looks like in our classrooms and beyond. We want our children to think of all the lovely things different people do for them and encourage them to stop and say thank you.

Reflection points:

- Thankfulness is being grateful for something.
- Thankfulness is recognizing and being grateful for the good qualities of someone or something.

Challenge:

Learn how to say 'Thank You' in different languages!

THANK YOU!

There are still a small number of tickets available for Thursday night to watch the P7 performanc, 'Robin & the Sherwood Hoodies!
Tickets can be bought at the door.

May Millionaires

May has been a bumper month for millionaires with 18 new members of our exclusive club!

All the classes also enjoyed a treat for getting their last target. This time they were rewarded with a hot chocolate afternoon.
