### School Closure Reminder

Please remember that school will be closed on **Monday 8 May** for the Coronation Bank Holiday, re-opening on **Tuesday 9 May**.

## Reconstitution of The Board of Governors

The Department of Education has advised that the reconstitution has been rescheduled to launch in December 2023 with a reconstitution date of June 2024.

The current board will therefore remain in place until June 2024.

Thank you to everyone who has expressed an interest in this important role and we encourage you to do so next year.

In the meantime our PTA is a great way to get to know people and to learn a lot about our school community. Please consider how you can offer support through involvement in the PTA.

### *Value of the Month*

During May we will be focusing on what Patience looks like in our classrooms and beyond.

We want our children to understand that patience is waiting for something or someone. It is accepting delay without getting angry or upset.

#### Our reflection points for May:

- Patience is waiting with a happy heart
- Patience is being able to wait until it's time
- Patience is staying calm and not becoming annoyed

Many good and important things take patience. For example, most great inventors and explorers have a lot of patience!

*When Thomas Edison invented the lightbulb, it took him over 1,000 tries!*

*It took the Wright Brothers 6 years to invent the airplane!  
It took another 6 years to send a man to the moon!*
