Dear Parent/Carer,

As part of our school's involvement with Sustrans Active School Travel programme we are holding a special cycle/scoot to school day on:

***Friday 27th January 2023
BLING Your Bike Day!***

The theme of the day is Bling Your Bike. To raise awareness of safe, active travel we are encouraging children to make their bike/scooter as bright and shiny as possible and bring it to school!

Children are invited to get creative and to decorate their bikes and scooters to be super bright. The possibilities are endless: Christmas tinsel, bike lights, glow sticks, neon coloured card even a helmet wrapped in aluminium foil!

In the interest of safety, we always advise children to wear helmets and high visibility clothing so that they can be seen and be safe on the way to school. If it is a dull or dark day, bicycle lights are also strongly advised. Please ensure decorations do not interfere with safety of the bicycle/scooter.

You are more than welcome to join the fun and cycle or walk to school with your child as well to see the 'Bling'd' bikes for yourself!

Many thanks,

Mr Arneill
