Designated Child Protection Teachers: Mrs McLaughlin & Mrs Wilson

Cycle to School Week

We were so pleased to see so many bicycles this morning! We'd encourage all our pupils to walk or cycle to school at least one day this week.

As we encourage our pupils to walk or cycle to school, their safety has to be paramount. Please park your car safely to ensure the children have a clear line of vision on their cycle or walk. Do not park on double yellow lines, corners or near entrances

Thank you

Value of the Month 'Cooperation'

During September we have enjoyed getting to know our children. Pastoral care and settling back in safely has been and continues to be our key priority. Supporting our children's mental wellbeing and understanding their thoughts and feelings is so important.

The children have been learning about the importance of resilience and good manners.

Our value for October is 'Cooperation' and we will support the children to take turns, help each other and welcome others into their friendship groups.

Our reflection points:

Co-operation is everyone helping to get something done

Co-operation is working together

Co-operation is working together with patience and friendship

Together we can do so much!

Parent Consultations

Parent consultations will be taking place during the week beginning 24th October. From Monday to Thursday this will be after school and on Friday, an Exceptional Closure Day, meetings will happen throughout the day. There will be the option to meet with your child's teacher either face to face or to speak via telephone.

Further information will be shared via Seesaw on Friday.

We have sent our first tweet! Watch out this week, we will be tweeting some of the events and activities which are taking place in school. If you haven't already, please follow us:
